

CAREER PATHS LEADING TO SUCCESSFUL ERC APPLICATION

For researchers at the beginning of their career who would like to apply in the near future for individual research grants such as ERC or Marie Skłodowska-Curie

20/11/2014

THURSDAY

start 14.00

**INBIT – Biotechnology centre
Kamenice 34, Brno**

delivered by

Lotte Jaspers

Yellow Research

Lotte Jaspers has extensive experience with individual grant applications for Marie Curie fellowships as well as within the framework of the prestigious ERC grants. She has been running workshops on individual grants at numerous universities as well as assisted in the pre-submission review of ERC Starting, Consolidator and Advanced grants. Her knowledge and experience in pre-submission review of individual grants is an important aspect of the success of her training.
