

Applied Neuroscience, CEITEC Masaryk University

would like to invite you to

Diffusion kurtosis imaging and alpha- synuclein spreading in Parkinson's disease

17/3/2016

THURSDAY

Start 10:00

Seminar room 211 building A35
Kamenice 5, Brno
Entrance from Studentská
street

delivered by

Amit Khairnar, PhD.

Francisco Pan-Montojo, MD, PhD.

Amit Khairnar, PhD. (CEITEC MU)

Diffusion kurtosis imaging: Implications for early diagnosis of Parkinson's disease.

Francisco Pan-Montojo, MD, PhD. (MUNICH GERMANY)

Jumping through the nervous system: How alpha-synuclein spreads PD pathology in mice.
