

IMAPS FLASH CONFERENCE 2015

15th - 16th October 2015, Brno, Czech Republic

B | R | N | O

With pleasure we invite all prospective authors to participate in IMAPS flash Conference 2015 which will be held at Brno University of Technology, FEEC, Department of Microelectronics.

Topics of interest

- Microelectronics assembly
- Packaging & 3D structures
- Soldering & Chip attachment
- Simulation & Testing
- Sensors & Nanostructures

Keynotes

- CEITEC **BUT**
- Koenen GmbH
- Sanmina
- PBT Works

Specialized workshops

- WIREBONDING of SEMICONDUCTOR CHIPS
- CEITEC open day (visit CEITEC building and see equipment of Core Facility)

For exhibitors

The congress will be held in the beautiful town of Brno in the South Moravia Region. The exhibition will be located mostly in the foyer of the presentation rooms in building of Brno University of Technology. There is no better way for exhibitors to be integrated in the conference programme throughout the meeting.

We provide exhibitors with:

- Variety of different exhibition spaces
- Exhibition tables
- Exhibitor registrations
- Ancillary services and many more

General chairman:

prof. Ing. Radimír Vrba, CSc. *Director of CEITEC BUT*

Co-chairman:

doc. Ing. Jiří Háze, Ph.D. *Head of Department of Microelectronics*
