

CEITEC – Central European Institute of Technology at Masaryk University would like to invite you to the following lectures:

23/06/2014

⬡ **Monday from 14.00**
Campus Bohunice
Building A11, room 234

Philipp Selenko

Leibniz-Institut für Molekulare Pharmakologie

'Looking at proteins in live cells with atomic resolution:
From Science Fiction to Science Reality'

24/06/2014

⬡ **Tuesday from 09.30**
Campus Bohunice
Building A11, room 234

Mary O'Connell

Stockholm University

'Addressing the ancient riddle: How does the cell
discriminate between self and non-self RNA?'

24/06/2014

⬡ **Tuesday from 14.00**
Campus Bohunice
Building A11, room 234

Carsten Janke

Institut Curie

'Molecular mechanisms and biological functions
of microtubule diversity'

The lectures are organized as a part of the selection process for the European Research Area (ERA) Chair in Chemical and Cellular Biology.

Funded under FP7 project, The ERA Chair Culture as a Catalyst to Maximize the Potential of CEITEC' (contract no. 621368).
