

Research Group Molecular Bacteriology,
(Molecular Veterinary Medicine Research Programme, CEITEC VFU)

would like to invite you to the workshop entitled

„Antimicrobial Resistance and Environmental Health“

15/11/2013

FRIDAY

9:30-12:30

Lecture room of Department of Biology &
Wildlife Diseases, building 32
University of Veterinary and Pharmaceutical
Science Brno
Palackého 1-3, Brno

9:30-11:30

Sebastian Günther

Institute of Microbiology and Epizootics, Department of Veterinary Medicine,
Freie Universität Berlin, Germany

“Overview on zoonotic aspects of multiresistant *Escherichia coli*,”

Monika Dolejská

Department of Biology and Wildlife Diseases,
University of Veterinary and Pharmaceutical Sciences, Brno, Czech Republic

“Mobile genetic elements disseminating antibiotic resistance in gramnegative bacteria”

COFFEE BREAK (30 MIN)

12:00-12:30

Veronika Oravcová

Department of Biology and Wildlife Diseases,
University of Veterinary and Pharmaceutical Sciences, Brno, Czech Republic

“Detection and characterization of clinically important vancomycin-resistant enterococci”

Registration via e-mail to halovad@vfu.cz by November 12, 2013
